Attach the following to this application:

- (1) site plan of the property drawn to scale on a sheet not less than 8 1/2" x 11"
- the location of property lines
- the locations of structures, fences, and paved areas
- the location and approximate size of each natural landscaping area
- a list by scientific and common name of species intended to be planted, cultivated, and maintained within each area
- the setback distance of each natural area that will be located near any property line

**3. MAINTENANCE INFORMATION**

- a. Prescribed Burn: If annual burning is desired, permits are required from IEPA, Cook or DuPage County, and Village of Schaumburg.
- b. Annual Mowing: If annual mowing is desired, the area shall be mowed or cut to a height of twelve (12) inches or less at least once prior to June 1 of each calendar year.
- c. Inspections: Every three (3) years, the site will be inspected by a village landscape inspector to verify compliance with the approved plan and proper maintenance of the natural landscape area.

*Natural landscaping permits may be revoked only with cause, such as failure of the owners to manage the areas and to respond to repeated notices of creation of a nuisance or violation of the weed control ordinance.*

In consideration of the information contained in this petition as well as all supporting documentation, it is requested that approval be given to this application for a natural area landscaping permit.
