ORGANIZATION CHART

DEPARTMENT OVERVIEW

The Police Department's mission is to "Serve, protect and enhance the quality of life through community partnerships." The Police Department is committed to the philosophy of community policing. By working together with citizens, businesses, schools, community groups, elected officials, public agencies, and other village departments, we can make a difference. The employees are empowered to take ownership over their particular area of assignment, and to be proactive in identifying and solving problems in the community. By embracing the village's organizational values of customer service, respect, trust, teamwork and integrity, public confidence will be maintained.

The Police Department is divided into four divisions, Patrol, Administration, Investigations, and Special Operations, each commanded by a Commander. With a mix of sworn and civilian personnel, an efficient and effective work force is provided. The vision of the Police Department is to "be a model law enforcement agency viewed internally and externally as professional, enthusiastic, trustworthy, and at the forefront of the police profession." The members of the Police Department are committed toward the attainment of this vision.

NOTABLE ACTIVITIES

Below are summaries from the Patrol, Investigations, and Special Operations Divisions as well as the Crime Prevention Section for activities that occurred during February 2018.

Investigations Division

- Computer Tampering** - Detectives received a complaint from a business owner in regards to an ex-employee creating a problem for the business. It was learned that the employee unlawfully changed the business email address and tampered with files remotely. Subpoenas and a forensic exam were completed on the victim and offender's computer. Evidence was gathered that incriminated the offender and her home address. She gave a full confession to tampering with the business website. Felony approval was granted.
- Violation of Order of Protection** - Detectives interviewed a victim in regards to her ex-husband violating an order of protection. She advised her mail was held at the post office by an unknown person who signed a "hold mail form", loan applications sent to lenders, and unknown phone calls being made to her residence. She suspected her ex-husband. Contact was made with the alleged offender who admitted to all of the above. Evidence was gathered via subpoena that incriminated the offender. He was charged and held pending a bond hearing.

- **Commercial Burglary** - A subject was arrested in Palatine for burglary to a Sprint store. He matched the physical description of a prior burglary to T-Mobile in Schaumburg. Detectives responded to Palatine PD and interviewed the offender. The offender was in possession of similar distinct gloves that were captured in surveillance video from the Schaumburg burglary. He subsequently gave a full confession to committing the burglary with his accomplice. He also stated he committed a burglary of a gun store in McHenry and five armed robberies in Lansing. Detectives from these jurisdictions responded and began their investigation also. The offender was charged with commercial burglary to our T-Mobile store and Detectives continue to work the case in an effort to locate and apprehend the codefendant.
- **Criminal Damage to Property** - Detectives investigated an incident outside Bob McCullough's Pub whereby a patron's vehicle was damaged. It was learned that an individual was asked to leave the establishment and was back on the premise a night after the original altercation. He was outside in the parking lot and was observed slashing the tires on a vehicle. Witnesses contacted police after he fled the area. He was identified, located, and gave a statement to detectives implicating himself. He was charged with criminal damage to property.
- **Liquor Law Violation** - The division conducted an undercover Local Ordinance Compliance Operation to ensure compliance of State and Village liquor laws. Underage Village of Schaumburg Liquor Compliance Agents visited twenty-three establishments within town. Two establishments served the minors and were subsequently cited for the violations. They will appear before the Liquor Commission next month.

Crime Prevention

Volunteer Program

- During the month, police department volunteers provided over 40 hours of valuable assistance. SHARE/LCAP high school volunteers began their community service hours in the Administration and Community Outreach. Volunteers assisted Crime Free Multi Housing with landlord violation mailings.

Events

- Crime Prevention participated in the Youth in Government Day. Local students met with Village Officials and learned how local governments operate. Students were invited to the police station for a tour of the police station and to work on their grant project.
- Crime Prevention conducted a preschool safety presentation at the Schaumburg High School. Crime Prevention discussed 9-1-1 and stranger safety as well what are emergencies. Fifteen preschoolers were in attendance.

- Crime Prevention conducted a safety presentation at the Senior Barn. This month we discussed ruse burglary scams and when to report suspicious activities. Fifty seniors were in attendance.

Community Outreach and Projects

- Crime Prevention conducted a CPTED security inspection at the Calvary Community Church. An inspection was conducted on the building as well as the perimeter of the building to assess lighting, landscaping and security features.
- Crime Prevention and Debbie Diamond, Animal Control Officer met with Lexington Green II Homeowner's Association to discuss safety issues in the subdivision. A few of the items discussed included animal issues, Trespassing and Neighborhood Watch Programs.

Crime Free Multi-Housing

- The CFMH Seminar was attended by thirty-two landlords/property owners.
- The police department currently has an intern, who is through Western University. She worked with the CFMH program for four days completing a data entry project for the Rental Property Information System which assisted in updating the program.
- Attended the Adjudication Hearing for the CFMH Seminar compliance project.
- Participated in the Hazardous Homes meeting with apartment complex managers and property owners.
- Conducted one problem solving meeting with a property manager, Beat Officer and Patrol Sergeant. Worked on sharing information and creating a plan to help reduce calls for service and maintain the safety of the community.

Special Operations Division

This month, Tactical Unit Officers conducted fifty-five traffic stops, issuing five citations and forty-six warnings. The officers issued sixteen village ordinance compliance citations and affected two felony narcotics arrests, ten misdemeanor drug arrests, one traffic arrest and one warrant arrests.

Members of the unit handled sixty-one calls for service, fifty-five of which were self-initiated activity.

Officers continue to focus on a Problem Oriented Policing project geared toward reducing incidents of Prostitution. Throughout the month three operations were conducted at Massage Establishments with one arrest and a total of nine compliance citations being issued as one establishment. Additionally the officers arrested two subjects for prostitution at a local hotel and cited them on a village ordinance. The officers continue to monitor local escort postings on social media and have observed a decline in postings as this project continues.

The entire Tactical and Traffic Unit responded to assist with a walkout at Schaumburg High School during the month. The officers provided security and traffic control and the event took place without any issues.

Traffic Unit Officers are working on Phase 7 of a Problem Oriented Policing Project targeting the reduction of injury traffic accidents. During this phase, the unit is focusing on Springinsguth Road between Bode Road and the METRA station. This particular roadway has been targeted during multiple phases of the project due to the fact there are three schools, two pools/park district facilities, multiple churches and the Metra station. Traffic officers work in conjunction with patrol beat officers to conduct enforcement, issuing moving violations and written warnings. In an effort to curb driving behaviors that are known to cause injury accidents, the officers have been asked to emphasize enforcement on cell phone and texting violations.

February enforcement summary:

70 hours - total enforcement hours which included three all Traffic Unit enforcement dates and patrol enforcement activity
43 -Speeding citations
22 - Village ordinance compliance citations for cellphone violations
3- Other moving/equipment violations
2 -Suspended/No DL arrests
36 -Written Warnings for various violations

Additionally, the electronic message board was placed on Springinsguth Road on the center median just north of Metra/Boomer's Ballpark with the message, "Put down your phone and drive home safely." In the coming weeks the traffic unit will conduct rush hour enforcement in this location.

Officers assigned to the Tactical Unit are actively involved in a problem oriented policing project to reduce prostitution. As a part of that effort, both patrol and tactical unit officers are each assigned to several hotels and they are responsible for walk-throughs and visits with on-duty staff. These routine checks are geared toward reducing potential criminal activity and building close working relationships with the hotels. In February of 2017, hotel checks were completed seventy-nine times by officers. In May 2017, this initiative was selected as a goal for the police department. Tactical Unit and Patrol officers were asked to increased efforts. During the month of February 2018, there was a decrease in checks compared to last year with the officers completing fifty-nine checks. The officers will enhance efforts in the coming month with the annual Safe Hotel Initiative scheduled to take place in May.

The 2018 training schedule has been set for the Auxiliary Search and Rescue training unit. The group will participate in quarterly training and on two of the dates they will be in the field/conducting mock searches in local parks. The final training will include a mock missing person search. This unit is made up of part-time Auxiliary Officers, Community Service Officers and Forensics Technicians. They will be trained to assist with missing person and evidence searches. Uniform items for the unit were selected and ordered this month including "Schaumburg Search and Rescue" high visibility vests, sweatshirts and hats.

Patrol Division

Beat 1 – Sergeant McCartney

Beat Projects

Complaints were received about on-going juveniles fighting in the 1000 block of N Knollwood Drive. Property management at Woodbury Place Apartments was contacted and beat officers are monitoring. No other issues have been noted.

Meetings with Citizens/Organizations/Property Management

The Beat Coordinator, CFMH Coordinator, property leasing agents, and Officer Sonnefeldt met to discuss a recent felony arrest involving problem tenants and on-going juvenile issues at Woodbury Place Apartments. The Beat Coordinator also communicated with property management at Sheffield Towne for on-going tenant issues and similar juvenile problems.

Officers Segoviano and Robideau attended the Sheffield Towne Association meeting and answered concerns about an on-going conflict in the 2000 block of Farnham Court. Additionally, they provided other crime prevention information and answered questions about a juvenile problem on their property.

Contact was also made with Red Rock Association president to discuss on-going parking, criminal, and nuisance issues.

Special Watches/Alerts/Missing Persons

Special Watches initiated at 315 N. Springinsguth/Herbert Hoover Elementary and 345 N. Walnut/Elizabeth Blackwell Elementary Schools for parking and traffic enforcement requested at the start and end of the school day until the end of the school year.

Public Service Announcements

Beat officers are continuing to enforce the VOS Negligent Driving Ordinance and cited approximately eleven Negligent/Distracted Driving violations in February.

Noteworthy Arrests

Beat officers responded to an aggravated battery at a rental property and an arrest was made. The Beat Team is working with property management to review other on-going issues with the residents involved.

Beat 2 Sergeant Kaminski

Selective Enforcement

Beat officers conducted selective enforcement along Springinsguth Rd from Schaumburg Rd to Wise Road. During the month of February, officers spent 35.75 hours in this area and issued 18 citations for speeding, stop sign violations, and distracted driving.

Beat Projects

In the months of October, November, and December, there have been eight reported burglary from motor vehicles/criminal damage/trespass to motor vehicle reports. To combat this, we created a P.O.P. project where midnight officers concentrated their patrols to the West side of the Village (Walnut Lane West to Holmes Way and Schaumburg Road South to Weathersfield Way). There were no reported burglaries to trespass to motor vehicles over the past month.

Noteworthy Arrests

An officer conducted a traffic stop on a subject who failed to stop at the stop sign at Springinsguth Road at Weathersfield Way. The driver was subsequently arrested for not having a valid driver's license.

Beat 3 - Sergeant Tieri

Selective Enforcement

Special Watch requested for Savannah Trace Apartments. Lakeshore Disposal is doing trash pickup prior to the 7:00 AM time that is allowed per VOS Noise Ordinance. One garbage truck has been ticketed and the business has been made aware of the village ordinance regarding noise

Parking Enforcement for the 600 block of Wise Road. Cars are parking in the fire lanes, on the grass and in the dirt at these properties. Officers have taken a zero tolerance approach, and issue citations for any violations encountered.

Beat Projects

Special Watch for the Metra Train Station and surrounding area. There have been subjects attempting to gain entry to the station to keep warm overnight.

Officers have been checking the area of 1201 Irving Park Road. This is an undeveloped property. Officers will monitor the area for dumping or any other suspicious circumstances observed.

Twice weekly walk-throughs and maintain high visibility at/around the schools. Officers are encouraged to check in at the main office and interact with staff for high visibility on all watches.

Beat 6 - Sergeant Nowicki

Selective Enforcement

During the month of January, Beat 6 officers have continued to enforce roadway solicitors in the area of Higgins and Rt. 53. Two solicitors were arrested in the month of February.

A CSR was generated for the complaint of drivers disregarding the no turn on red sign on northbound Martingale Road at Higgins Road. Throughout the month, officers issued two citations to drivers for this violation.

Beat Projects

During the month of April 2017, Beat officers began taking a zero tolerance approach in their enforcement of roadway solicitors in the area of Higgins Road and Rt. 53. Since the zero tolerance approach began, beat officers have made twenty-eight arrests. Enforcement will continue and the situation monitored for continued violations.

We had several complaints of cars blocking the driveway and curb at the Pace Bus Station on Kimberly Drive. This parking makes it difficult to maneuver and get in and out of the parking lot safely. Officers responded to two calls for service during the month, which resulted two warnings and one citation being issued.

Quality of Life Issues

Residents in the area of Polk Branch Park on Thacker Drive have made several complaints of kids making loud noises and speeding through the neighborhood on school days, in the morning and afternoon. Officers have increased their presence in this area. Officers have also made several traffic stops resulting from speeding vehicles where those drivers were warned or cited for speeding. The original complainant has advised the increased presence and targeted enforcement has already begun to mitigate the problem.

Special Watches/Alerts/Missing Persons

A subject in the 1500 block of Williamsburg Drive contacted the Schaumburg Police Department to report a missing person. Officers conducted an investigation and were able to safely locate the missing person.

A subject in the zero hundred block of Lincoln Meadows Drive reported that he and several of his neighbors noticed their door peepholes had been unscrewed by an unknown person(s). Management was contacted and made aware of the incident.

A subject reported her cellular phone was stolen by an unknown subject while she was eating at a restaurant in the 1700 block of East Higgins Road.

A subject in the 800 block of Plumwood Drive reported their mailbox was damaged by unknown offenders.

Patrol units were called to a movie theater in the 600 block of North Martingale Road for a subject attempting to make a private recording of a movie being shown. The subject admitted to taking a short clip of a movie but deleted it from his phone. Management advised the subject was banned from returning to the property.

Officers responded to the criminal damage to property in the 1200 block of East Higgins Road. Two males broke the window to a storefront and ran from the scene and ran to a nearby store with several other subjects. Store surveillance was obtained and the case was turned over to the Investigations Division.

Officers responded to a restaurant in the 600 block of Mall Drive for a subject who was refusing to pay his tab. Officers advised the suspect of his options and he had his mother respond to the scene. The mother paid her son's tab, the subject was advised not to return to the business, and left without further incident.

Public Service Announcements

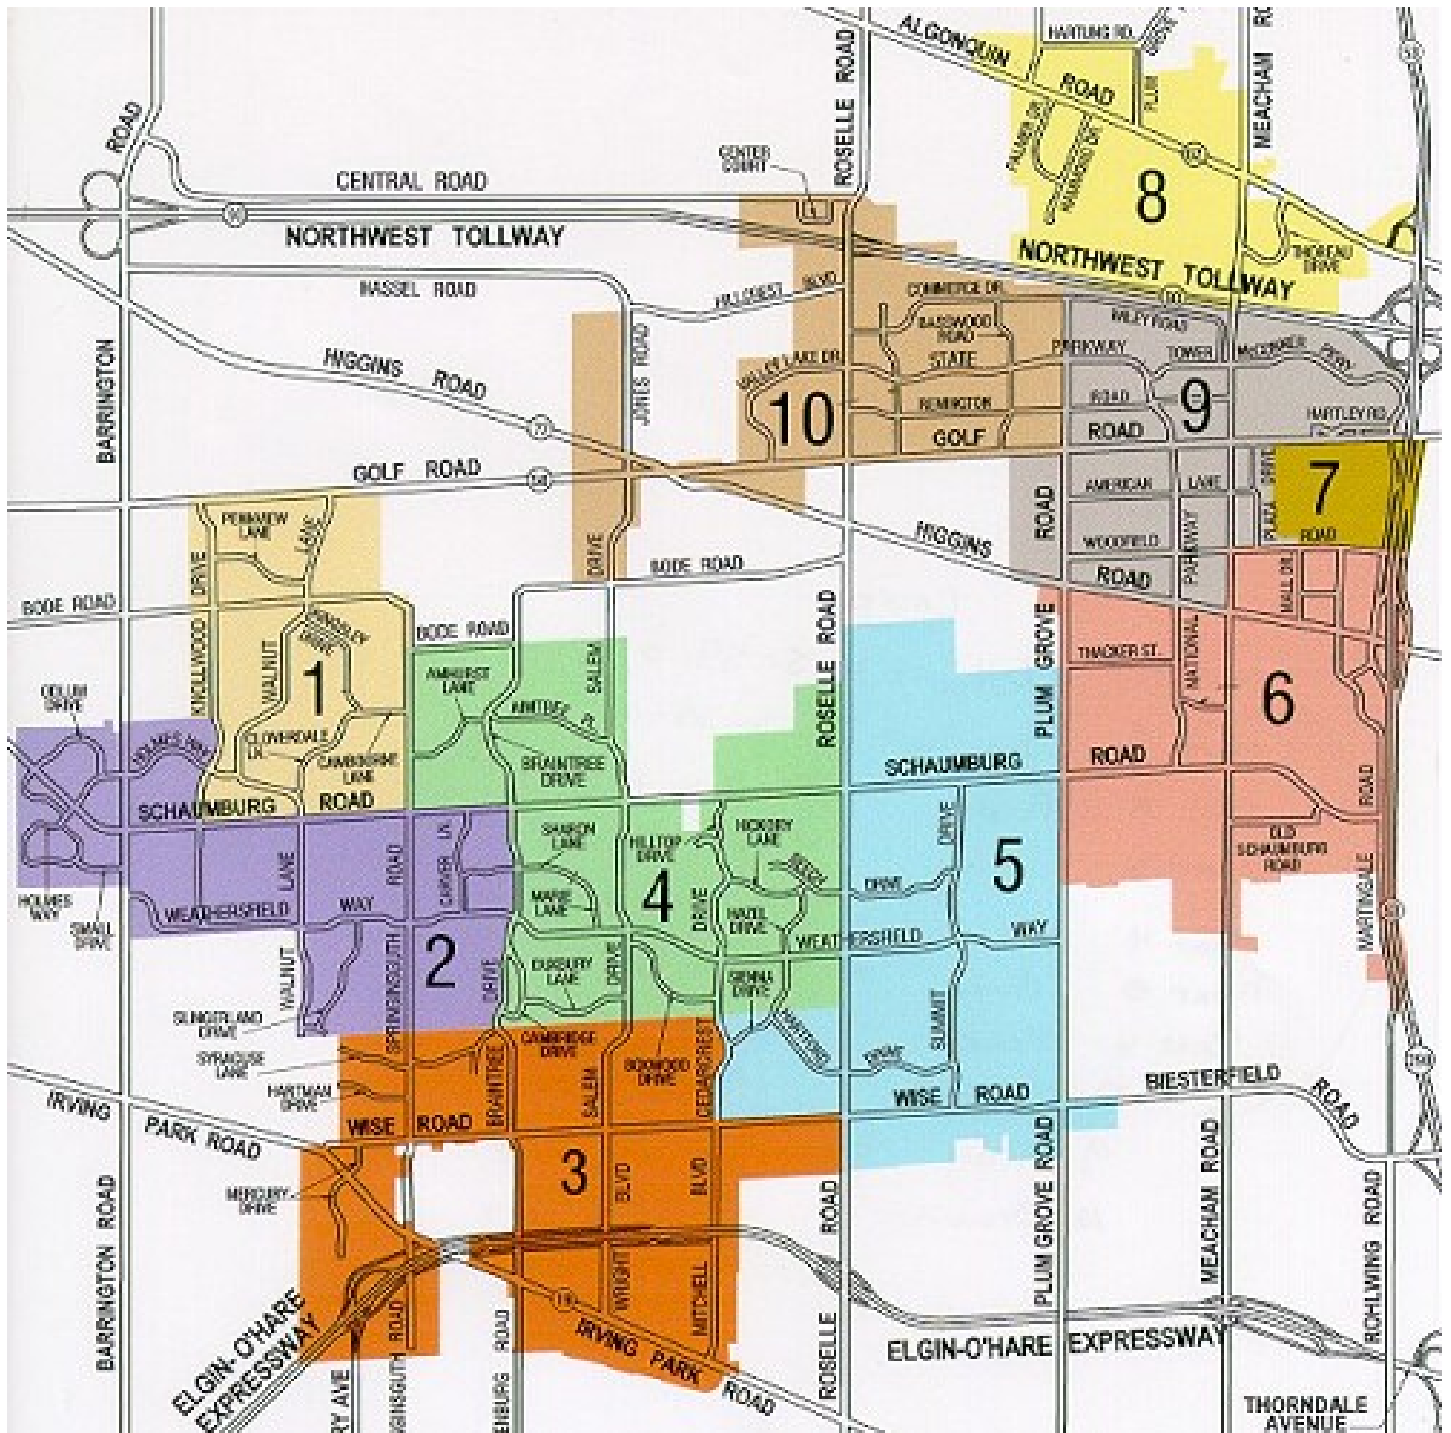

Remember that if you want to know what's happening in your neighborhood or anywhere in town visit www.communitycrimemap.com and type in a Schaumburg address. You will be able to see reported incidents throughout the village. www.communitycrimemap.com Residents are reminded to lock your vehicles and secure your valuables from plain sight so they are not a target for theft.

Notable Mentions

Patrol units responded to the drug overdose for an unresponsive subject in a bathroom at a business in the 600 block of Martingale Road. Officers provided two doses of Narcan to the subject who was later revived. The subject was transported to the hospital for further medical examination.

An elderly woman contacted the Schaumburg Police Department and advised she needed assistance as she was having trouble deciding the right public bus to board. This took place in the 1700 block of Kimberly Drive. An officer assisted her in boarding the correct bus and ensured she boarded safely.

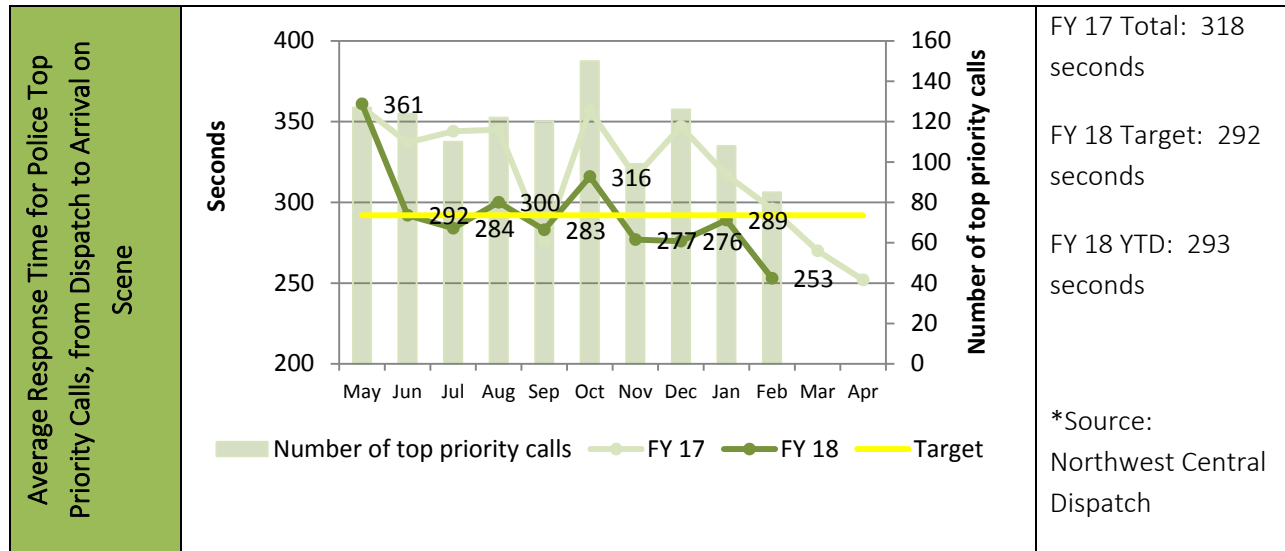

BEAT MAP

KEY PERFORMANCE INDICATORS

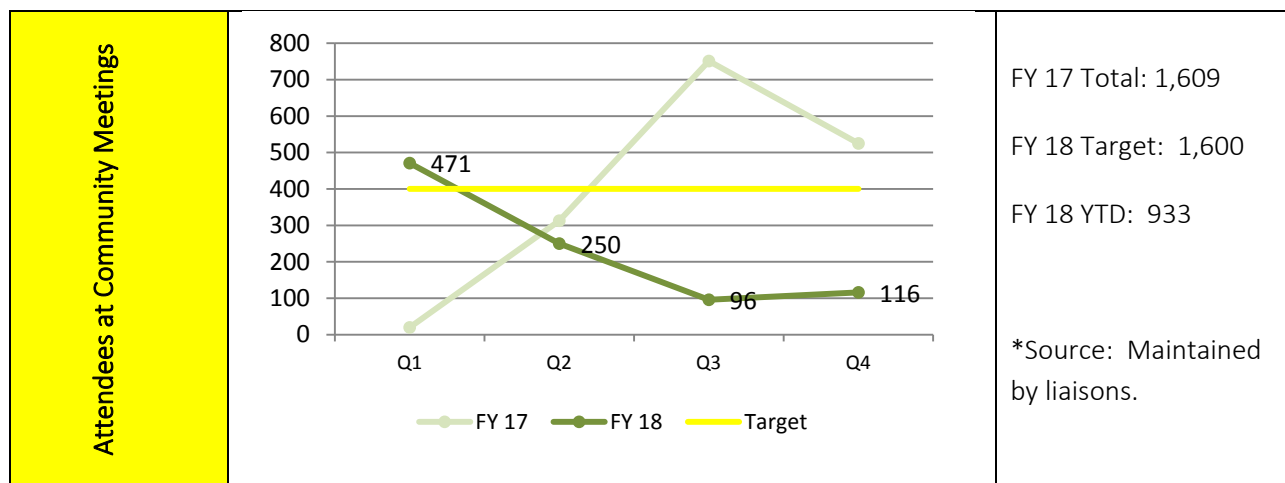

KPI 1: Average Response Time for Police Top Priority Calls

Responding to emergency calls for service is one of the most fundamental services a police department can provide to the residents of that municipality. Providing police service quickly when an emergency occurs is a critical measure of success. This specific performance indicator has not historically been measured in Schaumburg, therefore no benchmark exists. However, our benchmark on this indicator is to maintain current emergency response levels, or to decrease the police response time from year-to-year.

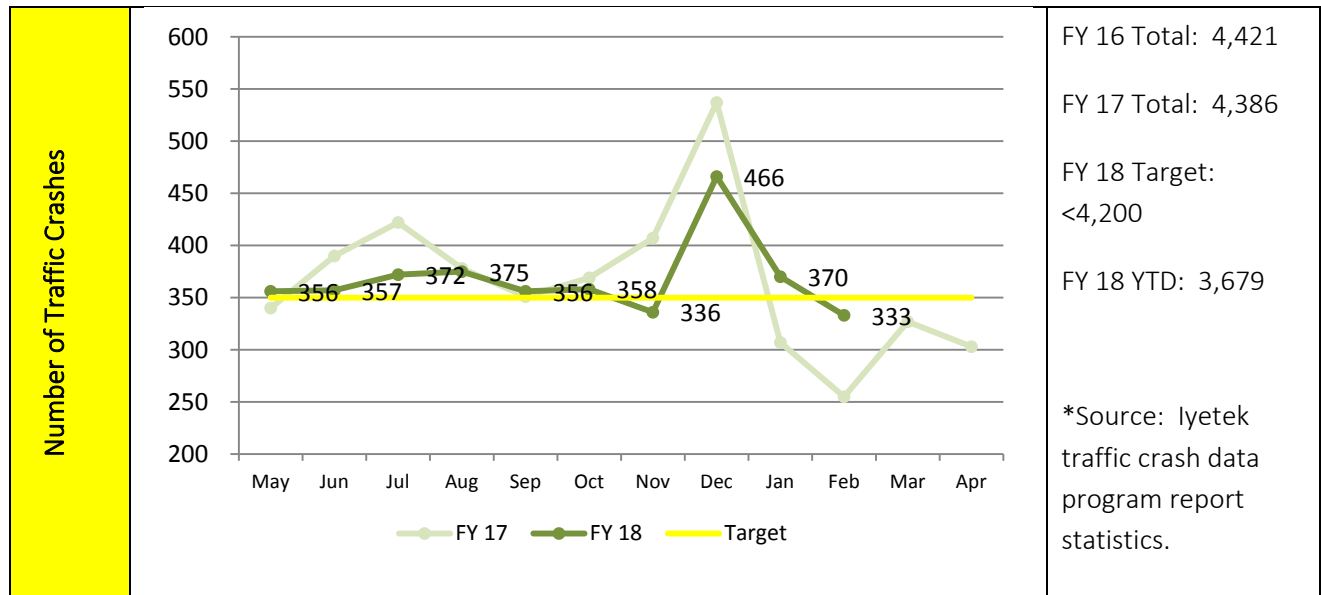

KPI 2: Community Outreach

Given significant local and national events, there is demand for open communication and transparency from the Police Department. This KPI will be part of a greater focus on community policing activities within the department in 2017. By proactively reaching out and connecting with demographic specific targets, the police department can build relationships prior to a potential critical incident involving a member of that group.

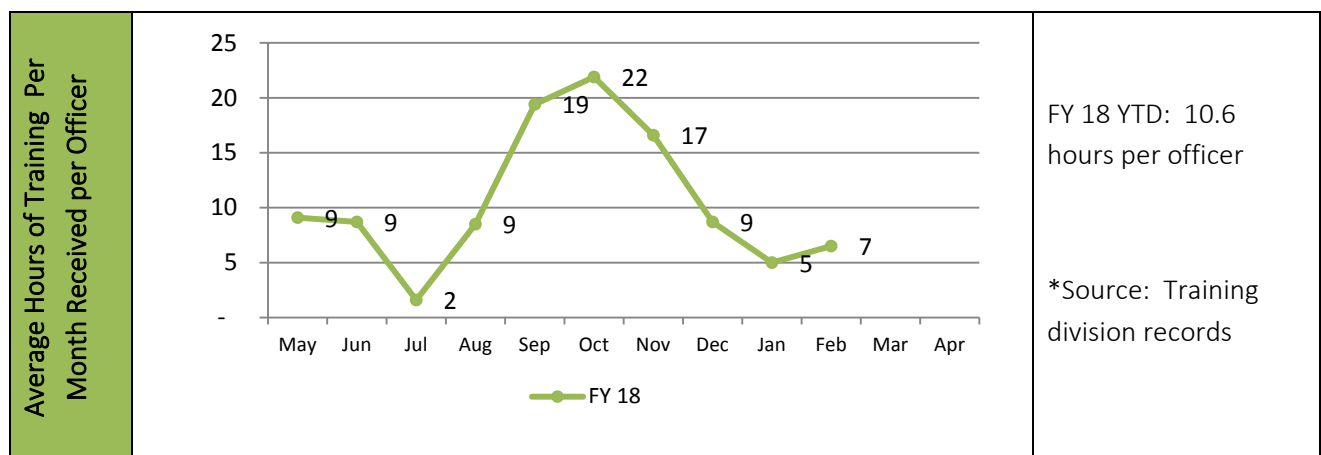

KPI 3: Traffic Crashes

Traffic safety is a relevant issue for residents and visitors alike. Unlike violent crime, which is less common in Schaumburg, several traffic crashes occur in the village every day. The latest statistics provided by the police crime analyst reveal there has been a steady increase over three years in total crashes, with 495 crashes in 2015 resulting in injuries. In order to reduce the number of traffic accidents, the village positions auxiliary officers during peak hours at locations that experience a high volume of accidents.

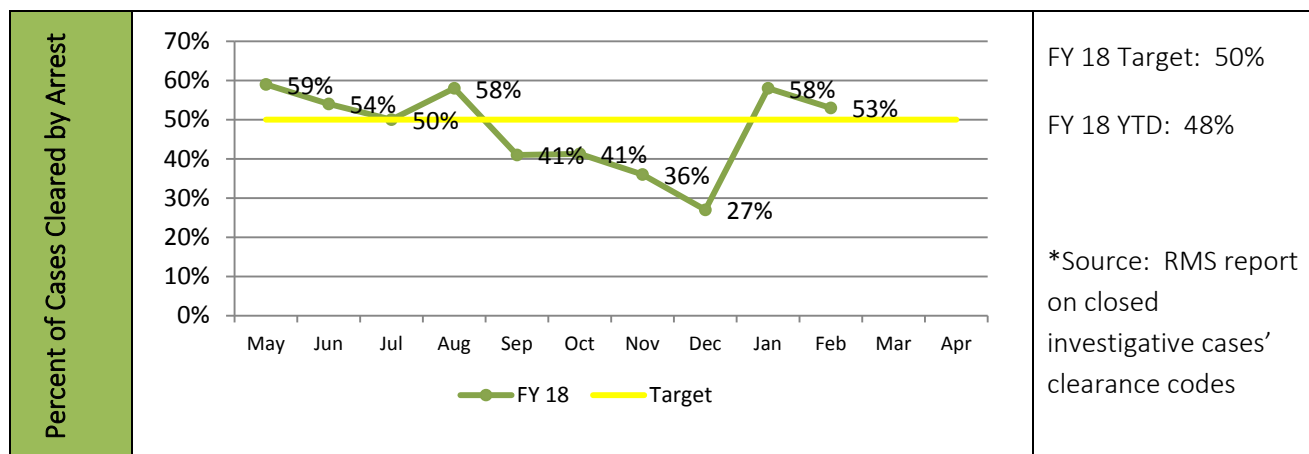

KPI 4: Training Received Per Patrol Officer

The department includes internal and external training events and time for each officer. The department promotes external training when available, and builds on training time by conducting additional in-shift training. Further, the department taps into the knowledge of the sergeants and identifies them as subject matter experts in one specific field, to which they can share training on this topic with their shift and perhaps the other patrol shifts as they are able. Additionally, this will enhance the skills and ability of officers and develop leadership skills in the sergeants.

KPI 5: Investigations Clearance

The Police Department will look to maintain the percentage of investigations cleared. We do so by a monthly supervisor review at the command level, to ensure quality. Also documentation of good and bad cases will be made public to enhance training within the unit.

KPI 6: Special Operations Hotel Program

Increase hotel building check UCR calls for service, improving year to year from 2016. The department will continue to encourage officers to spend time checking hotels and meeting hotel staff as a way to develop relationships and gain information about potential criminal activity at hotels. This will encompass a growing focus on prostitution and drug activity. Further, officers can act as village ambassadors through the increased presence at hotels, interacting with guests and visitors.
