NORTHWEST TRANSPORTATION CENTER ADDITIONAL PARKING

Pace is pleased to provide additional parking spaces for riders to use when the Northwest Transportation Center (NWTC) lot is full.

The southeast section of the parking lot at 1701 E. Woodfield Road is now free for Pace riders to use.

1701 E. Woodfield Rd. is just northwest of NWTC. Cars can access it from Mall Dr. **Do not park outside the permitted area in the lot's southeast corner.** A walkway connects these spaces to NWTC.

To avoid a parking ticket at NWTC, do not park along the curb in the No Parking areas.

Riders are also encouraged to consider parking at the new **Pace I-90/Barrington Rd. Station**. The free, 170-space park-n-ride lot is located off Central Rd., just north of I-90 and just east of Barrington Rd. Riders can take Routes 603, 605, and 610 from the station to get to Rosemont Transit Center.
