### **Celebrate Safely: This Labor Day, Drive Sober or Get Pulled Over**

As Illinoisans gear up to mark the end of summer with Labor Day celebrations throughout the state, the Schaumburg Police Department announced plans for a traffic safety campaign focusing on drunk, unbuckled and distracted drivers.

“Our goal is to help ensure our residents, visitors to the community and all motorists passing through Schaumburg make it home safely after the party ends,” said Police Chief Bill Wolf. “We’ll be out in force to keep impaired drivers off the roads. If you’ll be celebrating, we urge you to plan ahead for a sober ride. It could be a matter of life or death.”

The Schaumburg Police Department is partnering with the Illinois State Police and local law enforcement across Illinois for the increased statewide effort. The high-visibility crackdown will run from Aug. 15 through the holiday weekend into the early morning hours of Sept. 3.

Before the fun starts this Labor Day, remember to designate a sober driver and don’t let friends or family members drive drunk. Even a small amount of alcohol can impair judgment and reaction times, making driving unsafe.

The “Drive Sober or Get Pulled Over” campaign is funded by federal traffic safety funds administered by the Illinois Department of Transportation. The crackdown runs concurrently with a media campaign reminding motorists that impaired driving has “Life or Death” consequences.
